

## Clarity Benefit Solutions Mobile App

Smart Account - Employer

Create smarter healthcare consumers and drive better employee spending and saving decisions with the **Clarity Mobile App**.

### EMPLOYEE EXPECTATIONS HAVE CHANGED

Technology has influenced employee behavior and changed expectations. They are no longer comparing goods and services, but instead experiences. As a result, they are demanding innovation, engagement, and personalization across every aspect of their lives, including healthcare.

### THE CLARITY BENEFIT MOBILE APP DELIVERS

When it comes to your employees' Consumer Benefits, the **Clarity Mobile App** takes the guesswork out of their healthcare spending and saving decisions. It includes a personalized, real-time and self-guided experience that ensures they have access to not only powerful self-service capabilities such as viewing and managing their Consumer Benefits, submitting claims, and accessing account alerts but also actionable insights that lead them down a path to better healthcare spending and saving behaviors.

The **Clarity Mobile App** combines health and wealth in one location, giving your employees personalized low-cost, high-quality healthcare options and making users smarter consumers of healthcare by guiding them to spend less now and save more for the future.

### WHAT YOU CAN EXPECT FROM THE CLARITY MOBILE APP

- **A modern, native mobile interface** that integrates new health management capabilities with powerful self-service capabilities
- **Data driven tools**, including a personalized Smart Score, that guide your employees to make informed decisions about where to best spend and save their healthcare dollars
- **Cost and quality insights** that allow users to better search for procedures and providers
- **A virtual medicine cabinet** for managing monthly drug costs
- **Long-term savings recommendations** based on known chronic conditions
- **Personalized recommendations** to maximize account value
